

Rattlesnake Lake North - Econfina Creek WMA

www.nwfwater.com

Rattlesnake Lake North is a popular campsite that offers a picnic pavilion, pedestal grill, fire ring and portable toilet. Families can enjoy swimming, camping, kayaking, canoeing and fishing. This campsite can hold a maximum of 25 people. This is a gated area that requires an access code for entry into the area and is included in your permit. Rattlesnake Lake North also offers a day use area that is open from sunrise to sunset that has a picnic pavilion, pedestal grill, portable toilet, boat ramp and parking for boaters. For a free reservation, please visit our [reservation site](#).

Address: 5066 Rattlesnake Pond Road
Chipley, FL 32425

Rattlesnake Lake has a nearby steephead that flows into the lake from an ancient seepage spring. Boat landings have been designated and vehicle exclusion fencing has been built to protect sensitive areas.
