

These maps are a visual representation of the District's groundwater regulatory features by county. Features include 62-524 Delineated Areas and the Escambia County "No Drilling" Zone. The 62-524 Delineated Areas are derived from Chapter 62-524, Florida Administrative Code. The Escambia County "No Drilling Zone" is derived from a resolution made by the District's Governing Board on February 22, 2001.
